New Kiwanis Club Organized

Tuesday June 15, Poquoson, VA. Twenty friends and neighbors of the Tabb and Poquoson communities plus several supporters from the Kiwanis Club of Poquoson gathered Tuesday evening at

the Chapel Hill Green Restaurant to organize and establish the new **Kiwanis Club of Tabb.**

Under the leadership of Bob Kerlinger, a committee of past presidents of the Poquoson club recruited members and helped organize the new club to bring more business and community citizens into the Kiwanis fold.

The original Poquoson club, now more than 25 years old, stands out among all the clubs in the Capital District with more than 80 members and a strong record of community service and fund raising, especially benefiting the Children's Hospital of the Kings Daughters Kiwanis Emergency Center.

Carla Morin, Lieutenant Governor of the Virginia Peninsula Division 23, officially installed and pinned Kiwanis buttons on new President Dan Zaruba of Yorktown, Vice President Luci Crittenden of Poquoson, and Treasurer Carol Naramore of Poquoson, after their elections by acclamation. The new club also elected Secretary Karen Yevak, also of Poquoson, who could not be present. "I'm so proud to be able to establish a new club here in this Division I can hardly stand it," said Morin. "I really teared up in there," she said after the ceremony.

"I feel like I've already been a member for years," said new member Tom Long of Yorktown, "because I've heard so much about Kiwanis from my dad," referring to Richmond Long, a longtime

member of the Poquoson Club who also attended the Tuesday meeting.

"This new club fills a real need in Tabb and Poquoson," said organizer Bob Kerlinger. "we wanted to grow Kiwanis in this area to better fulfill our commitment to serving the children in our community and the world. Even though the Poquoson Kiwanis Club now has 85 members, we found that many busy people could not attend our breakfast meetings. So by offering an evening club, we have opened the opportunity for those folks to participate in the Kiwanis experience."

The new club has been meeting for dinner and business the first and third Tuesday of every month at 6:30 p.m. at the Chapel Green restaurant.

The National

5K Run/Walk 2004

Thank you to the Tabb Chapter of the Kiwanis Club for your support of Mackenzie's 5K Run/Walk for MPS. Our "street guards" were instrumental in keeping the streets safe for our runners and walkers.

Since Mackenzie's diagnosis of MPS IIIA, Sanfilippo Syndrome, in the summer of 2002, the show of support from family, friends and members of the Poquoson community has been overwhelming. Our run/walk was a huge success. We raised over \$14,000 for research.

With each dollar raised for research, we are one step closer to finding a cure for these devastating disorders. Thanks again!

Sincerely,

Jen & Steve Clarke

What's Our Club About and What do We do?

First of all, **we have fun!** No organization lasts that doesn't fulfill its members and give them a sense of accomplishment. We try to make our meetings and our other activities as pleasant and meaningful as possible. Whether supporting the Annual 4th of July festival in Yorktown or the Tabb YMCA Oktoberfest, we enjoy each other's company.

We raise money for many worthy causes. One of our principal recipients is the Children's Hospital of the King's Daughters in Norfolk, Virginia. Along with 39 other Kiwanis Clubs in Hampton Roads, we are contributing funds to procure a new ambulance / transporter.

We provide tutors in local schools for reading programs, and **support** to other school programs, such as the After Prom parties designed to keep teens in a wholesome environment on their special night.

We believe in our club and the Kiwanis International and all the wonderful things the organization does.

"Destiny is a matter of choice. It is not a thing to be waited for. It is a thing to be achieved." - Williams Jennings Bryan

Rick, Linda, Vivian, & All:

FY2008 "Books for Breakfast" Program sponsored by the Tabb Kiwanis Club was wrapped up in May with 206 children served. Over 200 children's books purchased with Tabb Kiwanis Club funds were distributed to the students who participating in the free breakfast programs in Poquoson Primary School and Poquoson Elementary School. To show our love for both children and books, Tabb Club partnered with Poquoson Public Library to provide this annual outreach literacy program for young children in our community. Each child received 2 free books and listened to the book talks while they are enjoying breakfast. A gold label with "A Gift from Tabb Kiwanis Club" was placed in the back cover of each book. This club project puts books on the home shelves of children who might not have many books "of their own", and encourages literacy within the community.

Volunteer
of the Year

Linda Tyler, retired reading specialist and member of the Kiwanis Club of Tabb, has been named Reading Volunteer of the year for the Newport News Reading Council.

Tyler volunteers her time in the first grade classroom of Pamela Bohnke at Tabb Elementary School.

Her arrival on Wednesdays is greatly anticipated by all the children in the class. She often stays well past her allotted time so any child waiting to read with her is not disappointed. Accelerator Reader scores for these children have shown a real increase in comprehension and reading level.

tion needed to increase their fluency and, more importantly, their confidence. Because of her time and grace, children who struggled earlier now see themselves as readers.

In addition to the weekly one-on-one reading and tutoring, Tyler has read

favorite stories to the class as a whole. She gives not only her time and wisdom, but has given these children and instilled in them a real love of reading that will help them as they learn and grow well past the first grade. - Pamela Bohnke

Club presents check to Poquoson library

Kiwanis Club of Tabb presented a check of \$500 to Poquoson Public Library at its club meeting March 19 to provide free books to children who eat breakfast at Poquoson Elementary School and Poquoson Primary School. This is the seventh year Kiwanis Club of Tabb has partnered with Poquoson Public Library for "Books for Breakfast," an early literacy outreach program. In addition to the breakfast, children receive their own age-appropriate award-winning book to keep. Since its inception in 2007, more than 1,100 books have been given to children who came to school for breakfast. Library staff visit these schools each February and return in May before the library summer reading program starts. The above picture was taken at the check presentation; from left are Judy Letchworth, Kelly Garner and Elizabeth Tai.

Tabb Kiwanis Club Volunteers at Lackey Free Clinic

Submitted by: Elizabeth Tai, Public Relations, Tabb Kiwanis Club

Members of the Tabb Kiwanis Club volunteered at Lackey Free Clinic on Saturday, April 6 as their 2013 Kiwanis One Day service to make a difference in their community.

The members power washed and cleaned up 59 file cabinets and some cubicle components before the Clinic moves to its new facility. Kiwanis One Day service is on the first Saturday of each April, and this is the 4th year that the Tabb members choose Lackey Free Clinic as

the site for their volunteer project.

Mission accomplished.

Volunteers help out at free clinic

Members of the Tabb Kiwanis Club volunteered April 6 at the Lackey Free Clinic for their annual Kiwanis One Day, a day of service to make a difference in their community. The members power-washed and cleaned 59 file cabinets and some cubicle components before the clinic moves to its new facility. Pictured working the power-washer is Kelly Garner. With him are Bob Williams, Robyn Burrell and Nellie Weigel.

Hello Judy and the members of Tabb Kiwanis Club,

I hope you were all able to get your sore muscles out of bed the morning after your work day at Lackey. You all did an amazing job! We are so very appreciative of the hard work you did to get the cubicle components cleaned up and ready to use. It was a big project, but a very important job to get done before our move this week. We continue to value our relationship with the Tabb Kiwanis Club; you are all wonderful!

Thank you!

Kiwanis gives check to Tabb Elementary School

Members of the Tabb Kiwanis Club presented a check for \$4,200 to Cheryl Parr, principal of Tabb Elementary School, on May 9 to help purchase school supplies for teachers. The fund was raised at the club's fifth annual pancake breakfast. Members of Tabb Kiwanis Club also provides tutoring to the students at Tabb Elementary School, and sponsors Kiwanis Key Club at Tabb High School and Kiwanis Builders Club at Tabb Middle School. Above, from left, are Jack Kruger, club secretary; Parr; Marie Dasovich, club member; and Judy Letchworth, club treasurer.
